**June 16- Games are at John Knox due to a tournament at Centennial Park-please park at school and walk to diamond behind school..do not drive on the grass.

*Sessions are 60 min long- you can arrive early and use the outfield to get warmups started so you can play on the diamond longer when teams ahead of you are finished.

** Machine and cord is in equipment room. Use new hardballs for best results in machine. Aim for 35mph from 45feet and work up. Feel free to bring your own tees and other equipment to use as you see fit for your group. There is a cord buried at pitching mound to plug into machine. If cannot find, use extension cord to run power from 1st base dugout entrance (outlet), if no power, hit reset button on outlet.

Photo Day is June 23. Schedule and order forms will be posted closer to date. These are optional to purchase but hope all would be in team photos.

If you need any other equipment let Corey Gruben know and we can get it for you.
