FOR IMMEDIATE RELEASE

DATE: May 18, 2020

TITLE: Wyoming Minor Ball Association to cancel 'Lil Wranglers instructional program for 2020 season

Wyoming – Following much discussion and consideration by the Executive Committee of Wyoming Minor Ball, the decision has been made to cancel the 2020 'Lil Wranglers instructional program.

This was not an easy decision to come by, but in consideration of the health & safety, and logistics surrounding social distancing for this age group, it was the best decision to make:

- All instructional levels Beginner, Intermediate & Advanced will be affected by the cancellation.
- Families will receive a full refund of registration fees and fundraiser tickets, a refund will automatically be returned to the card of payment.
- All refunds will be issued by June 15th, we appreciate your patience with this process.

“While we understand the disappointment of some families and players, we look forward to seeing them back for 2021’s season” says Cam Major, Instructional Co-Ordinator.

Other Divisions: currently Wyoming Minor Ball is closely monitoring the COVID-19 situation, and announcements from Baseball Ontario and PWSA. As can be expected, there will be regulated and mandatory changes to how the 2020 season on the diamond will look no decisions have been made regarding the 2020 season for these divisions.

Together we will get safely through this.
