YOUR GENEROUS SUPPORT  
IS GREATLY APPRECIATED.

Support of this project can be made through a direct donation on-line, by mailing in your support by cheque or through the purchase of a legacy brick.

Improvements include upgrades to the backstop, dugouts and facilities building.

---

To Donate on-line please visit <https://wyomingminorball.ca> and click on Wyoming Minor Ball Fund tab

For a cheque donation or to purchase a legacy brick, mail cheque and form in this brochure to P.O. Box # 1069, Wyoming, ON N0N 1T0

[www.wyomingminorball.ca](http://www.wyomingminorball.ca)

Wyoming Minor Ball is pleased to have a partnership with the Sarnia Community Foundation in the creation of the Wyoming Minor Baseball Association Fund!

- This fund administered by the [Sarnia Community Foundation](#) through the Canada Helps website is in support of the redevelopment of the ball fields used by the Wyoming Minor Baseball Association.

Donations can be made directly through <https://wyomingminorball.ca> and click on Wyoming Minor Ball Fund tab with tax receipts being available for instant download after the donation is complete.

This funding vehicle will greatly improve the way that Wyoming Minor Ball can conduct our fundraising efforts, and will allow for both individuals and corporations to contribute as they desire and can be recognized or anonymous donations.

We appreciate everyone in advance for your support of youth in Minor Ball., Thank you

Without the generous support of Ontario 150 Ontario Trillium Foundation and the Town of Plympton-Wyoming the Canton project would not be possible.

## “Build it and they will come!”

A ball diamond is the heart of any team, and our beloved Canton Park is long over due, and first in line for an upgrade;

Named for Harry Canton, this ball diamond supports the youth of Wyoming and surrounding areas of Petrolia, Enniskillen & Lambton Shores as it comes alive each season with the excitement of our Wyoming Wranglers & Lady Wrangler minor ball teams, and our Lil' Wranglers Instructional teams.

When not bustling with hundreds of kids each season, the diamonds are used by the Wyoming Cattlebarons and Wyoming Junior Cowboys, keeping the love of the game alive and members active, long after their minor ball days have concluded.

Our ball parks have been home to countless players, coaches, managers and their families for many years (maybe you recall playing or coaching here!) and we need your support for them to continue to be their home for years to come!

## Yes!, I want to help....
